2 It will be observed
that although there was some
informality

in Mysore who it will be seen acquiesces in my proposals which are simply to the effect that during the Field season the Travelling Allowance forfeited by the Officer on Privilege leave should be given to the Officer who is appointed to act for him I would not make any re=commendation regarding junior officers as suggested in Para 2 of the Comptroller's letter No. 1498 of the 9th Instant, nor yet as regards drawing the Travelling Allowance when the Establishment is divided between two officers, as suggested by the

Comptroller

Comptroller in para 4.

5 I strongly recommend the adoption of the above ruling which will completely meet the difficulty which always occurs when owing to sickness or other urgent necessity an Officer has to proceed on Furlough Leave during the Field Season.

once more the whole correspon=

2 In endeavouring to arrive
at the correct ruling, as to
which Officers is entitled to
the allowance in question,
whether Mr Clerk who was
on Privilege leave or the
Appu Row who acted for
Mr Clerk, I directed in my
Memo No 349 of the 20th Instant
that each Officer should draw
half.

all of the allowances on the authority of Bombay Government Resolution No. 613 of the 7th July 1865. I find however that I overlooked — Notification No. 1585 by the Depart=ment of Finance and Commerce dated 12th June 1884 which — substitutes a new ruling for Rule 8, Section 76. Page 172, Land Leave Code and lays down that Assistant Super=intendents of Revenue Survey Department on Privilege Leave may draw their Sustag= on the conditions prescribed as to House rent in the Bombay Presidency in Rule 6 of the same Section

3 I observe that you have passed the allowance to

Mr

c. Mr. Clerk on his furnishing
a Certificate that he was
keeping up his Office Seats.
Rule 6 however required
that the Officer on Privilege
leave should place his
Office accommodation at the
disposal of the Officer who
acts for him. This Mr. Clerk
did not do although no doubt
he had no objection to so doing

4 The fact is that it is
necessary to lay down some
very clear and unmistakable
ruling on the subject of this
particular allowance which
is a source of constant, mis-
-understanding

5 In the particular case
now in point the operation
of Rule 6 above alluded to

bears very hardly upon Mrs Apjohn who has had extra work and no doubt extra travelling although not put to any expense so far as I can ascertain, on account of office bontage or carriage & Privilege leave is never granted during the working or field season excepting under very exceptional circumstances and it is only during that season that an officer obliged to take leave would find it difficult to make any private arrangement with another officer, indeed I may say he would generally find it impossible to do so.

During

(1) During the recess the case is quite different and Officers going on leave can easily make personal arrangements for the charge of their Establishments

The whole difficulty would be got over and a satisfactory understanding arrived at regarding this constantly recurring question if, during the field season the acting officer were allowed the Permanent Travelling Allowance of the Absentee which under recent ruling is deducted from the pay of the latter The expense to Government would be trifling and a case of condemnable

derable hardship would
be righted.

I shall feel much obliged
by your opinion on the above
proposal which I am anxious
to recommend for adoption
by the Local Government,

Sir,

I have the honor to point out, with reference to your letter No. 3005/197 dated the 28th Ultimo to the address of the Comptroller that in my letter No. 387 dated the 4th idem to the address of the Comptroller I stated that Mr. Appu Rao had not so far as I knew, been put to any expense on account of office tentage or carriage. My remarks of course applied to the office tents alone, and not to any extra travelling and consequent

consequent carriage of his own
tents and ex[illegible]penditure
generally As I consider and
have stated clearly that in
my opinion the ruling under
which Mr. Appurao got nothing
for the extra work and
travelling involved in his
double charge, bore very hardly
on him, I beg to recommend
that the Demand Order may
be made so far retrospective
as to embrace the case which
led to the present ruling.

Letter No 540 of 21st July 85 of the Supdt Rev: Survey referred to in the present letter has not been received. The question at issue between Mr Clerk & D Appa Rao depends upon the interpretation to be attached to Rule 8 Sec 76 of the C. L. Code. It provides that an Offr of the Rev: Survey on Privilege leave may draw his Allowance in the conditions prescribed as to Assistant in the Bombay Presidency in Rule 6. i.e. on condition that he relates his house at the disposal of the Offr: of any who officiates for him. According to this Code Mr: Clerk would have been entitled to Allowance during privilege leave only if the Asst relinquished his Quarters at the disposal of Mr: Clerk Appa Rao has acted for him. It is admitted that he did not do this. In Letter No 1113 of 8th July 85 the Supdt Rev: Survey Mr: Anderson Cuppage has remarked that this allowance was passed by me to Mr: Clerk on his furnishing a certificate that he was keeping up his Office Quarters & it cannot be drawn by both Offrs" This has apparently been acquiesced in by the Supdt of Rev: Survey & by the Govt: who have in their Letter No 3085 of 28/5/85 to this Office remarked "In the case of Mr: Clerk as the Survey Supdt reports that Mr: Appa Rao has not been put to extra expenditure, no orders are necessary" Regd to which I submit as my opinion that if the rules are strictly construed, Mr: Appa Rao will have to be considered the person rightfully entitled to the Allowance

It provides that an

Sir,

With reference to Proceedings No 1345 dated 14th December/86, in which it is ordered that ~~[illegible]~~ Rupees should be refunded by me on the ground that I did not place my tents at the disposal of Mr. Appu Rao, who acted for me, I would solicit that the Dewan would kindly reconsider the order.

2. In the Survey Department when an Officer went on Privilege leave during the recess he provided Office accommodation, and another assistant did his work as a rule gratis - During the field season, previly leave was only granted in urgent cases, but I think as a rule the Office allowance was drawn by the Officer on leave -

3. I would have been only too glad to put my Office tent at the disposal of the Officer who superseded my work, if I had known he really wanted it.

4. In conclusion I would with all deference urge the hardship of having to refund now this sum after so long a time, and would beg that the fact of my drawing ~~[illegible]~~ at present Rs less pay than I have done for the past 5 years, may be taken into consideration. The

The amount ordered to be refunded by me could be met from savings in the Survey Department as a special case

Sir,

I have the honor to forward correspondence relating to a question whether Mr. Narain Rao Assistant Superintendent Revenue Survey is entitled to his fixed Travelling Allowance of Rs 30 during the time that he was on Privilege leave Viz from 10th July to 17th August 1891 The Comptroller in his Docket

No. 3223 of the 5th November 1891 disallows the amount of Rs: 34-11-11 drawn by Mr. Narain Rao during the above period and requests its refund under Article 546 ⊗ of the Mysore Service Regulations

2 If Government Pro: No. 3085/199 dated 28th August 1885 be referred to it will be seen that it has been clearly ruled that when an officer of the Revenue Survey Department goes on privilege leave during the Field Season | his —

Permanent

⊗ A permanent monthly allowance cannot be drawn during absence on leave of any description, or during joining time, or in any period for which Travelling Allowance of any other kind is drawn.

Permanent Travelling Allow-
-ance shall be given to the
Officer appointed to act for
him In the present
instance Mr Narain Rao
went on leave during
the Recess and therefore
the Comptroller's decision
in insisting upon a Refund
is correct. It must however
I think be apparent that
to deduct Permanent Travel-
ling Allowance of an
Officer absent on Privilege
leave during the Recess
would be hard in so much
as the real travelling for
which it is granted all

to Rao

takes place during the
Field season In the present
instance Mr Narain Rao
annual travelling expenses
will not be reduced in
the least by his being
absent on Privilege leave
and I would therefore re-
-commend that an Officer
of this Department absent
on Privilege leave should
not forfeit his Permanent
Travelling Allowance during
the Recess The case of
an Officer going on Privilege
leave during the Field
season has already been

Sir,

In reply to your letter No: 5300 of the 19th Instant, I have the honor to observe that the Dewan's Proceedings No: 8907-9/5-70 of 20th February 1882, quoted by you were issued on a representation made by this office, bringing to notice that the orders authorizing Mr: Assistant Commissioner Appu Rao to draw travelling allowance while employed

on Survey work at the rates applicable to Asst: Commissioners could not well be applied to an Officer employed in the Survey department, who usually halts in the same camp for a lengthened period and suggested that the same fixed travelling allowance as drawn by the Survey Officers be sanctioned him which was accordingly done. Permanent Travelling Allowance cannot be paid to any Officer for the period of his absence on leave of any description vide Article 546 of the Mysore Service Regulations and Rule 1 of Section 15 of the Mysore Travelling Allowance Code, and as the Officers of the Survey department have not been exempted from the operation of these rulings, the retrenchment directed should be given effect to.

the following as Rule (b) to article 546.

Officers of the Mysore Survey Department absent on privilege leave during the season shall be entitled to draw the fixed Travelling allowance, but while so absent during the field season such allowance shall be drawn by the officer acting for them in addition to his own
